Section 7 – General conditions

7.1 How we administer this policy

A. Assignment

The **insured** may not assign this policy or any interest under this policy without **our** prior written consent.

B. Cancellation

By the insured

The **insured** may cancel this policy at any time by notifying **us**. If they do, **we** will refund any premium that is due to the **insured** based on the unused portion of the **period of insurance**. The **insured** must pay any outstanding premium due for the expired portion of the **period of insurance**.

By us

We may cancel this policy by giving the **insured**, or their broker, notice in writing or by electronic means, at the **insured's**, or their broker's, last known address. The policy will be cancelled from 4pm on the 30th day after the date of the notice. **We** will refund the **insured** any premium that is due to them based on the unused portion of the **period of insurance**.

C. Change of terms

We may change the terms of this policy (including the **excess**) by giving the **insured**, or their broker, notice in writing or by electronic means, at the **insured's**, or their broker's, last known address. Unless otherwise specified in the notice the change in terms will take effect from 4pm on the 30th day after the date of the notice.

D. Currency

Any amounts shown in this policy or in the **schedule** are in New Zealand dollars, unless otherwise specified in the **schedule**.

E. GST

Where GST is recoverable by **us** under the Goods and Services Tax Act 1985:

- (a) all **limits of indemnity** exclude GST, and
- (b) all **sub-limits** exclude GST, and
- (c) all **excesses** include GST, and
- (d) GST will be added, where applicable, to claim payments.

F. Other insurance

The **insured** must notify **us** as soon as they know of any other insurance policy that covers the **insured** for any of the risks covered under this policy.

If the **insured** holds other insurance cover with any other insurer in respect of any **claim** covered under this policy, then **we** will only pay under this policy once cover under the other policy has been exhausted.

7.2 Laws and acts that govern this policy

A. Disputes about this policy

The law of New Zealand applies to disputes about this policy and the New Zealand Courts have exclusive jurisdiction.

B. Legislation changes

Any reference to any Act of Parliament or subordinate rules referred to in this policy includes any amendments made or substitutions to that law.

C. Insurance Law Reform Acts

The exclusions and conditions in this policy are subject to the **insured's** rights under the Insurance Law Reform Act 1977 and Insurance Law Reform Act 1985.

7.3 Your obligations

A. Comply with the policy

The **insured** (and any other person or entity **we** cover) must comply with the conditions of this policy at all times.

B. Breach of any condition

If:

- (a) the **insured**, or
 - (b) any other person or entity **we** cover under this policy, or
 - (c) anyone acting on the **insured's** behalf,
- breaches any of the terms and/or conditions of this policy, **we** may:

- (i) decline the claim either in whole or in part, and/or
- (ii) declare either this policy or all insurance the **insured** has with **us** to be of no effect and to no longer exist.

C. True statements and answers

True statements and answers must be given, whether by the **insured** or any other person, when:

- (a) applying for this insurance, and/or
- (b) notifying **us** regarding any change in circumstances, and/or
- (c) making any claim under this policy, and communicating with **us** or providing any further information regarding the claim.

D. Reasonable care

The **insured** must take reasonable care at all times to avoid circumstances that could result in a claim. The **insured's** claim will not be covered if the **insured** is reckless or grossly irresponsible.

E. Change in circumstances

The **insured** must tell **us** immediately if there is a material:

- (a) increase in the risk insured, or
- (b) alteration of the risk insured.

Once the **insured** has told **us** of the change, **we** may then cancel or alter the premium and/or the terms of this policy.

If the **insured** fails to notify **us** about a change in the risk insured, **we** may:

- (a) declare this policy unenforceable, and/or
- (b) decline any subsequent claim either in whole or in part.

These actions will be taken from the date the **insured** knew, or ought to have known, of the increase or alteration in the risk insured.

For avoidance of any doubt, information is 'material' where we would have made different decisions about either:

- (i) accepting your insurance, or*
- (ii) setting the terms of your insurance,*

if we had known that information. If in any doubt, notify us anyway.

7.4 Severability and non-imputation

For the sake of determining indemnity under this policy:

- (a) the **application** shall be construed to be a separate application for cover by the **policyholder** and by each natural person covered by the policy, and no statement or representation in or with respect to the **application** by such person shall be imputed to any other natural person covered by the policy; and
- (b) knowledge possessed by and/or conduct of one natural person covered by the policy shall not be imputed to any other natural person who is an **insured**; and
- (c) any knowledge possessed by and/or conduct of any past or present director, company secretary, chief executive officer, chief operating officer, chief financial officer, chief risk officer, in-house general counsel, or any person who signed the declaration or proposal form in connection with this policy or any policy of which this policy is a renewal or replacement, shall be imputed to the **policyholder**.

7.5 Authority to accept notices and to give instructions

The **policyholders** listed in the **schedule** are appointed individually and jointly as agent of each **insured** in all matters relating to this policy, and to cover provided by the policy.

In particular (but without limitation) the **policyholders** are agents for the following purposes to:

- (a) give and receive notice of policy cancellation, to pay premiums and to receive any return premiums that may become due under this policy; and
- (b) accept endorsements or other notices provided for in this policy; and
- (c) give instructions to solicitors or counsel that **we** appoint or agree to, and to receive advice from them and to act on that advice; and
- (d) consent to any settlement **we** recommend; and
- (e) do anything **we** or **our** legal advisers think might help with the procedures set out in this policy for investigating, settling and defending **claims**, liabilities, losses or costs paid for under the policy; and
- (f) give **us** information relevant to this policy, which **we** can rely on when **we** decide whether to accept the risk, and set the policy terms or the premium.

7.6 Territory covered by this policy

The cover provided by this policy extends to acts, errors or omissions occurring anywhere in the world.

7.7 The insured's duty to comply with additional conditions

If **we** attach any additional conditions to the **insured's** policy regarding any risk survey or risk management timetable or any other conditions then it is a condition of this policy that these conditions are complied with by the deadlines shown.

Section 8 – Investigation, defence and settlement of claims

8.1 Insured's obligations

A. Do not admit liability

The **insured** must not:

- (a) admit liability, or
- (b) do or say anything that may prejudice **our** ability to defend the **claim** against the **insured** or take recovery action in the **insured's** name.

B. Advise us

If the **insured** becomes aware of any event that is likely to give rise to a claim under this policy regardless of the anticipated quantum, they must contact **us** immediately.

C. Minimise the loss

The **insured** must take all reasonable steps to minimise the claim and avoid any further loss or liability arising.

D. Provide full information

When making a claim, the **insured** consents to their personal information in connection with the claim being:

- (a) disclosed to **us**, and
- (b) transferred to the Insurance Claims Register Limited.

The **insured** must:

- (a) give **us** free access to examine and assess the claim, and
- (b) send any relevant correspondence or documents to **us**, and
- (c) complete a claim form and/or statutory declaration to confirm the claim if **we** request it, and
- (d) provide any other information, proof of ownership or assistance that **we** may require at any time.

E. Dishonesty

If the **insured's** claim is dishonest or fraudulent in any way, **we** may:

- (a) decline the claim either in whole or in part, and/or
- (b) declare either this policy or all insurance the **insured** has with **us** to be of no effect and to no longer exist from the date of the dishonest or fraudulent act.

This is at **our** sole discretion.

F. Do not dispose of property

The **insured** must not destroy or dispose of anything that is or could be part of a claim until **we** have given the **insured** permission to do this.

G. What the insured must obtain our agreement to do

The **insured** must obtain **our** agreement before:

- (a) incurring any expenses in connection with any claim under this policy, or
- (b) negotiating, paying, settling, admitting or denying any **claim** against them, or
- (c) doing anything that may prejudice **our** rights of recovery.

8.2 Managing your claim

A. Allocation of defence costs

If a **claim** is covered only partly by this policy, then **we** will attempt to ensure fair and proper allocation of the **defence costs** for insured and uninsured portions.

If all parties are unable to agree upon the allocation of the **defence costs** then that allocation shall be decided by a lawyer that **we** and the **insured** agree to instruct, whose determination shall be binding upon all parties. The cost of the lawyer's determination is to be taken as part of the **defence costs** covered under this policy.

If the parties cannot agree on a lawyer, then a lawyer will be appointed by the President of the New Zealand Law Society.

B. Apportionment

If **we** pay costs and/or expenses in excess of the maximum amount payable under the policy, then:

- (a) the **insured** must refund to **us** all amounts in excess of the maximum amount payable, or
- (b) **we** can offset that payment against what **we** must pay the **insured** under this policy.

C. Your defence

If the lawyer appointed to defend the **insured** advises that the **claim** should not be defended, then **we** are not required to defend a **claim** against the **insured** unless a second lawyer that **we** and the **insured** agree to instruct, advises that the **claim** should be defended.

If the parties cannot agree on a lawyer, then a lawyer will be appointed by the President of the New Zealand Law Society. In formulating his or her advice, the lawyer must be instructed to consider the:

- (a) economics of the matter, and
- (b) damages and costs likely to be recovered, and
- (c) likely costs of defence, and
- (d) prospects of successfully defending the **claim**.

The cost of the second lawyer's opinion is to be taken as part of the **defence costs** covered under this policy.

If the second lawyer advises that the **claim** should be settled and if the terms of settlement that **we** recommend are within limits that are reasonable (in the second lawyer's opinion, and in the light of the matters he/she is required to consider), then:

- (i) the **insured** cannot object to the settlement, and
- (ii) the **insured** must immediately pay the **excess** shown in the **schedule**.

D. Subrogation

Once **we** have accepted any part of the **insured's** claim under this policy, **we** may assume the **insured's** legal right of recovery. If **we** initiate a recovery **we** will include the **excess**, and any other uninsured **losses** suffered by the **insured**. Where **we** do this, the **insured** agrees to pay their proportional share of the recovery costs, and subsequently the proceeds of the recovery will be shared on the same proportional basis, except that **we** will reimburse the **insured's** **excess** first.

The **insured** must fully co-operate with any recovery process. If the **insured** does not, **we** may recover from them the amount paid in relation to the claim.

E. Defence of liability claims

After the **insured** has made a claim under this policy, subject to Section 8.2 C – 'Your defence', **we** have the sole right (which shall be a precedent to the **insured's** right to be covered) to:

- (a) act in the **insured's** name and on the **insured's** behalf to defend, negotiate or settle the **claim** as **we** see fit (this will be done at **our** expense), and
- (b) defend or legally represent the **insured**, and
- (c) publish a retraction or apology (in the case of defamation proceedings).

We may appoint **our** own lawyers to represent the **insured**. They will report directly to **us**.

F. Discharge of liability claims

We may elect at any time to pay the **insured**:

- (a) the maximum amount payable under the policy, or
- (b) any lesser sum that the claim against the **insured** can be settled for.

Once **we** have paid this (including any **defence costs** already incurred up to **our** date of election), **our** responsibility to the **insured** under the policy is met in full.

G. Waiver of professional privilege

The solicitors **we** instruct to act on behalf of the **insured** are at liberty to disclose to **us** any information they receive in that capacity, including information they receive from the **insured**. The **insured** authorises the solicitors to disclose this information to **us**.

8.3 Costs and expenses

- (a) Any fees, costs or expenses incurred by **us** (other than to determine **our** liability under this policy) in investigating, defending and settling any matter notified under the policy (in respect of which **we** ultimately confirm cover) will form part of the fees, costs and expenses as otherwise covered by this policy.
- (b) Any amount paid by **us** in settlement of a dispute the subject of a matter notified under the policy, shall be deemed for all purposes of the policy to be a payment made under the policy.
